

## 2013-2014 GLHQ BOM

There are 9 pieced blocks and 8 appliques. Patterns will be provided September through May. June is for adding borders if you wish. Completed size (without borders) is 50" x 50".

You can do all of the blocks, some of them, all of the pieced blocks and none of the appliques, or put them in your own setting. Basically, whatever you like!

This isn't necessarily a mystery, so if you want to see the finished quilt setting to plan fabrics, come see me at a meeting. If you want to be surprised, I won't spoil it.

Quilts will be shown at the September 2014 guild meeting.

### Fabric:

L, M & D define the overall "theme" of the quilt, so they should be the same, or very close. Everything else can be scrappy.

M – medium background – 1 yard

D – dark background – 2 yards

S's – scraps for blocks – 1 yard total

A's – contrasting fabrics for appliques – 1/2 yard
