

GLHQ BOM 2012

Block #3

Looks easy, huh? Not. It's just a nine patch, but pay close attention to the measurements.

Not difficult, but possibly annoying.

You could just make a simple nine patch with all patches having a **finished** measurement of

2.25" (that means that you should cut them 2.75"), but that would be boring and wouldn't line up nicely with next month's "block."

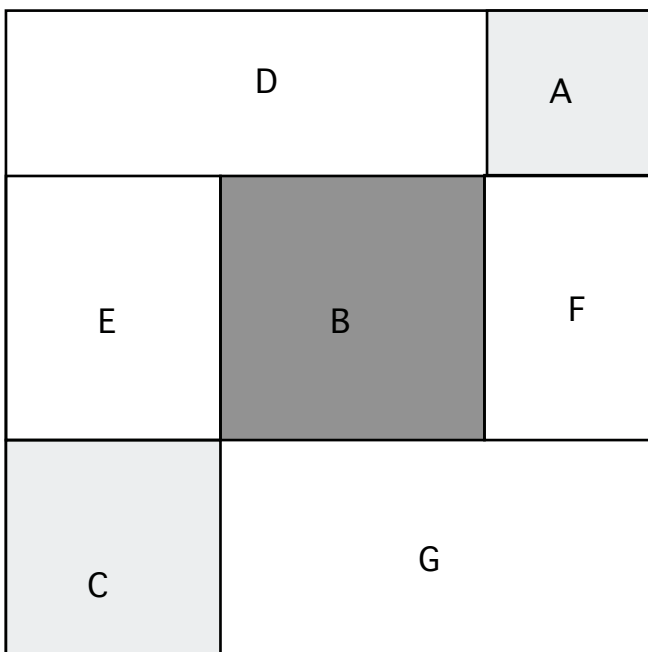

So, look carefully at the measurements.

MAKE FOUR (4)

Cut 4 of each:

- A 2.25 x 2.25
- B 3.25 x 3.25
- C 2.75 x 2.75

- D 2.25 x 5.5
- E 3.25 x 2.75
- F 3.25 x 2.25
- G 2.75 x 5

FINISHED BLOCK should measure 7.25", including seam allowances
