

**MYSTERY QUILT DAY 2018**  
**SEWING INSTRUCTIONS – MODERN OPTION**  
**LARGE**

**Step 1**

Lay **(1) A** 4 ¼" SQ and **(1) BG** 4 ¼" SQ - Right sides together

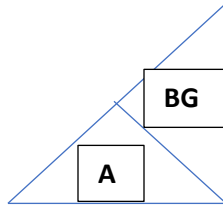

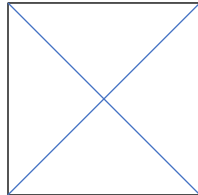

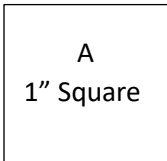

Draw a diagonal line (solid line)

from corner to corner in both directions on wrong side of **BG**

Starting at the corner, stitch ¼" to the **right** of the diagonal line, stop at opposite line

Stitch ¼" to the **right** of diagonal line in all four sections

Stitch on dotted line **exactly** as shown

Cut on solid line after stitching

This will yield **(4) A/BG1** units - Label these units **A/BG1**

Lay **(2) B** 4 ¼" SQ and **(2) BG** 4 ¼" SQ - Right sides together

Draw Diagonal line (solid line)

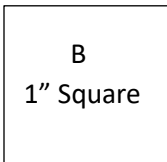

from corner to corner in both directions on wrong side of **BG**

Starting at the corner, stitch ¼" to the **right** of the diagonal line, stop at opposite line

Stitch on dotted line **exactly** as shown above

Cut on solid line after stitching

This will yield **(8) B/BG1** units - Label these units **B/BG1**

• Lay **(1) C** 4 ¼" SQ and **(1) BG** 4 ¼" SQ - Right sides together

Draw Diagonal line (solid line)

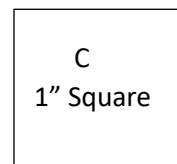

from corner to corner in both directions on wrong side of **BG**

Starting at the corner, stitch ¼" to the **right** of the diagonal line, stop at opposite line

Stitch on dotted line **exactly** as shown above

Cut on solid line after stitching

This will yield **(4) C/BG1** units - Label these units **C/BG1**

• Lay **(2) D** 4 ¼" SQ and **(2) BG** 4 ¼" SQ - Right sides together

Draw Diagonal line (solid line)

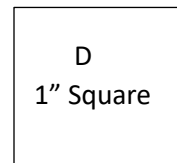

from corner to corner in both directions on wrong side of **BG**

Starting at the corner, stitch ¼" to the **right** of the diagonal line, stop at opposite line

Stitch on dotted line **exactly** as shown above

Cut on solid line after stitching

This will yield **(8) D/BG1** units - Label these units **D/BG1**

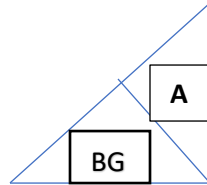

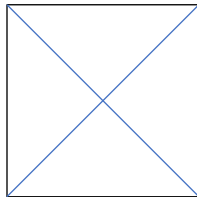

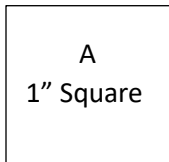

**MYSTERY QUILT DAY 2018**  
**SEWING INSTRUCTIONS – MODERN OPTION**  
**LARGE**

**Step 2**

- Lay (1) **A** 4 1/4" SQ and (1) **BG** 4 1/4" SQ - Right sides together  
Draw a diagonal line (solid line)  
from corner to corner in both directions on wrong side of **BG**

Starting at the corner, stitch 1/4" to the **left** of the diagonal line, stop at opposite line  
Stitch on dotted line **exactly** as shown – **NOTE: stitching is on the opposite side from Step 1**

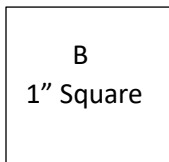

Cut on solid line after stitching

This will yield (4) **A/BG2** units - Label these units **A/BG2**

- Lay (2) **B** 4 1/4" SQ and (2) **BG** 4 1/4" SQ – Right sides together  
Draw Diagonal line (solid line)

from corner to corner in both directions on wrong side of **BG**

Starting at the corner, stitch 1/4" to the **left** of the diagonal line, stop at opposite line  
Stitch on dotted line **exactly** as shown above - **stitching is on the opposite side from Step 1**  
Cut on solid line after stitching

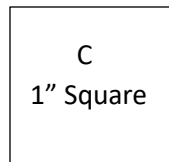

This will yield (8) **B/BG2** units - Label these units **B/BG2**

- Lay (1) **C** 4 1/4" SQ and (1) **BG** 4 1/4" SQ – Right sides together  
Draw Diagonal line (solid line)

from corner to corner in both directions on wrong side of **BG**

Starting at the corner, stitch 1/4" to the **left** of the diagonal line, stop at opposite line  
Stitch on dotted line **exactly** as shown above - **stitching is on the opposite side from Step 1**  
Cut on solid line after stitching

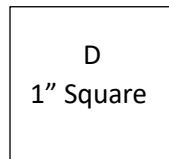

This will yield (4) **C/BG2** units - Label these units **C/BG2**

- Lay (2) **D** 4 1/4" SQ and (2) **BG** 4 1/4" SQ - Right sides together  
Draw Diagonal line (solid line)

from corner to corner in both directions on wrong side of **BG**

Starting at the corner, stitch 1/4" to the **left** of the diagonal line, stop at opposite line  
Stitch on dotted line **exactly** as shown above - **stitching is on the opposite side from Step 1**  
Cut on solid line after stitching

This will yield (8) **D/BG2** units - Label these units **D/BG2**
