Our guild is a non-profit organization founded to promote the art of quilting, and we support our metropolitan Detroit community charities with contributions of quilts, pillow cases and other items. Those groups, such as, Haven in Pontiac, Michigan (a domestic violence shelter), Gilda's Club (for people and their families facing cancer), Bear Lake Children's camp (for under privileged children), Veteran organizations and the Oakland County Medical Association (making baby quilts for new mothers for the large shower held for parents who have little and incubator quilts for premature births). During our 2014-2015 Guild year, our primary focus will be providing over 200 quilts to deserving seniors at several housing and rehabilitation complexes.

You can find information about our guild and our quilt show at our website: http://glhq.org/quilt_show.html

Thank you for supporting our quilt guild! We look forward to having a very successful show and you could be a large part in helping us succeed. We thank you for your interest in our Great Lakes Heritage Quilters quilt show!
